

This protocol accompanies a complimentary full-size bottle of oil of oregano.

- **Assumption of Risk:** This natural oil is provided strictly as a free gift for your personal educational exploration. Freedom Remedies makes no medical claims regarding its efficacy, safety, or specific outcomes.
- **Allergy and Sensitizations:** Oil of oregano is a highly potent herbal extract. It is your sole responsibility to check for personal contraindications, potential medication interactions, or allergic sensitivities with your primary physician before topical or internal application.
- **Usage:** Any use of the complimentary bottle of oil of oregano is done entirely at your own risk. Freedom Remedies explicitly disclaims all liability for adverse physical reactions, improper dosages, or side effects resulting from the direct or indirect application of this product.

In the event of a medical emergency, immediately stop the protocol and call your local emergency services (such as 911 in the United States) or proceed to the nearest emergency medical facility.
